### MONTHLY LP & FUND UPDATE

During the month, the LP received notice of two distributions which, after adjusting for simultaneous capital calls, were for a total of US\$3.62 million. The distributions were a combination of escrows and holdbacks on earlier realisations, as well as following the successful [realisation](#) of KUIU, a portfolio company of Main Post Growth Capital.

[KUIU](#) is a leading direct to consumer American hunting gear and apparel brand. During Main Post's investment, KUIU delivered strong, profitable growth, strengthened its leadership and organisational capabilities, expanded its category reach and "everyday wear" positioning and enhanced systems, data, and margin discipline.

During the month, the Fund was pleased to announce the full realisation of an underlying investment within the portfolio. The full announcement can be viewed [here](#).
